

Dear Friend of Youth Sports:

Help us create lasting, positive memories for our youth by supporting the American Youth Soccer Organization. South Bay AYSO serves nearly 900 boys and girls between the ages of 4 and 18. South Bay AYSO helps promote a healthy, active lifestyle. We develop children’s leadership skills, ability to work in a team environment, and how to handle winning and losing.

Although our coaches and administrators are volunteers, the cost of participating can be difficult to manage for many families. Our young athletes come from a range of economic situations, including low-income and single-parent households. Sponsorship monies assist in covering such costs as uniforms, equipment for practices and games, trainings and tournaments. Any donation is appreciated.
